IEEE COMPUTER SOCIETY
COLLOQUIUM 24
FOR PROFESSIONALS, BY PROFESSIONALS

About IEEE

IEEE, the largest technical professional organization globally, is committed to advancing technology for the betterment of humanity. Through its highly regarded publications, conferences, technology standards, and a wide range of professional and educational activities, IEEE and its members inspire a global community. By providing a platform for collaboration, IEEE empowers professionals to make significant contributions to society and create positive impacts on a global scale.

About IEEE Computer Society

The IEEE Computer Society (CS) is at the forefront of empowering and advancing professionals in the field of Computer Science and Engineering, driving global technological progress. By fostering active participation and collaboration among computer engineers, scientists, academia, and industry experts, IEEE CS establishes a benchmark for eduction and engagement. Through its conferences, publications, and diverse programs, the socety creates platforms for leaders in computer science and engineering to come together, facilitating meaningful discussions, debates, and collaborative efforts. This concerted effort not only benefits society's members but also ensures that professionals are equipped to drive innovation and make a positive impact on a global scale.

About IEEE CS Kerala Chapter

The IEEE Computer Society (CS) Kerala Chapter, operating within the IEEE Kerala Section, enjoys widespread recognition for its extensive membership and dynamic range of activities. Established in 1985, it stands as the largest Computer Society Chapter worldwide, encompassing 48 Student Branch Chapters and a membership count of 2043 in 2023. The Kerala Chapter actively fosters collaboration with its Student Branch Chapters, spearheading flagship events like the All Kerala Computer Society Student Convention (AKCSSC) since 2015. The chapter also hosted the All India Computer Society Student and Young Professional Congress 2023 (AICSSYC -23).

Our Venue

Park Centre, Technopark Phase I
Kazhakkoottam, Thiruvananthapuram

IEEE COMPUTER SOCIETY
COLLOQUIUM 24
FOR PROFESSIONALS, BY PROFESSIONALS

This year's theme is

CLOUD COMPUTING

IEEE COMPUTER SOCIETY
COLLOQUIUM 24
FOR PROFESSIONALS, BY PROFESSIONALS

Speakers

Niran Vijayakumar
Multi Cloud Architect

Sreejai Kurup
Senior Director
Global Deliver, SADA

Panelists

Joseph Alex
Principal Technology Architect
Infosys

Dr. Asharaf S
Dean (Development) and Professor
Digital University Kerala

Niyas Mohammad
CEO
NeuralCraft Pvt. Ltd.

Dr. Shailesh Sivan
AI/ML Consultant
Assistant Professor, CUSAT

Suryanarayan Menon A
Associate Cloud Engineer,
SADA
Moderator

IEEE COMPUTER SOCIETY
COLLOQUIUM 24
FOR PROFESSIONALS, BY PROFESSIONALS

Schedule

Registration	08 : 30 AM - 09 : 30 AM
Inauguration	09 : 30 AM - 10 : 00 AM
Talk - *Cloud Unbound: The Power of Serverless*	10 : 00 AM - 10 : 30 AM
Success Story - *GCP: From grassroots to Fortune*	10 : 40 AM - 11 : 10 AM
Sip & Connect	11 : 15 AM - 11 : 45 AM

Panel Discussion - ***Generative AI at scale with Cloud***	11 : 45 AM - 12 : 50 PM
Photo Session & Vote of Thanks	01 : 00 PM - 01 : 20 PM
Lunch	01 : 20 PM - 02 : 00 PM
