

2019 Symposium on 3rd Generation Semiconductor

26 September 2019 (Thursday)
Grand Hall A, Hong Kong Science Park

Symposium Jointly Organized by:

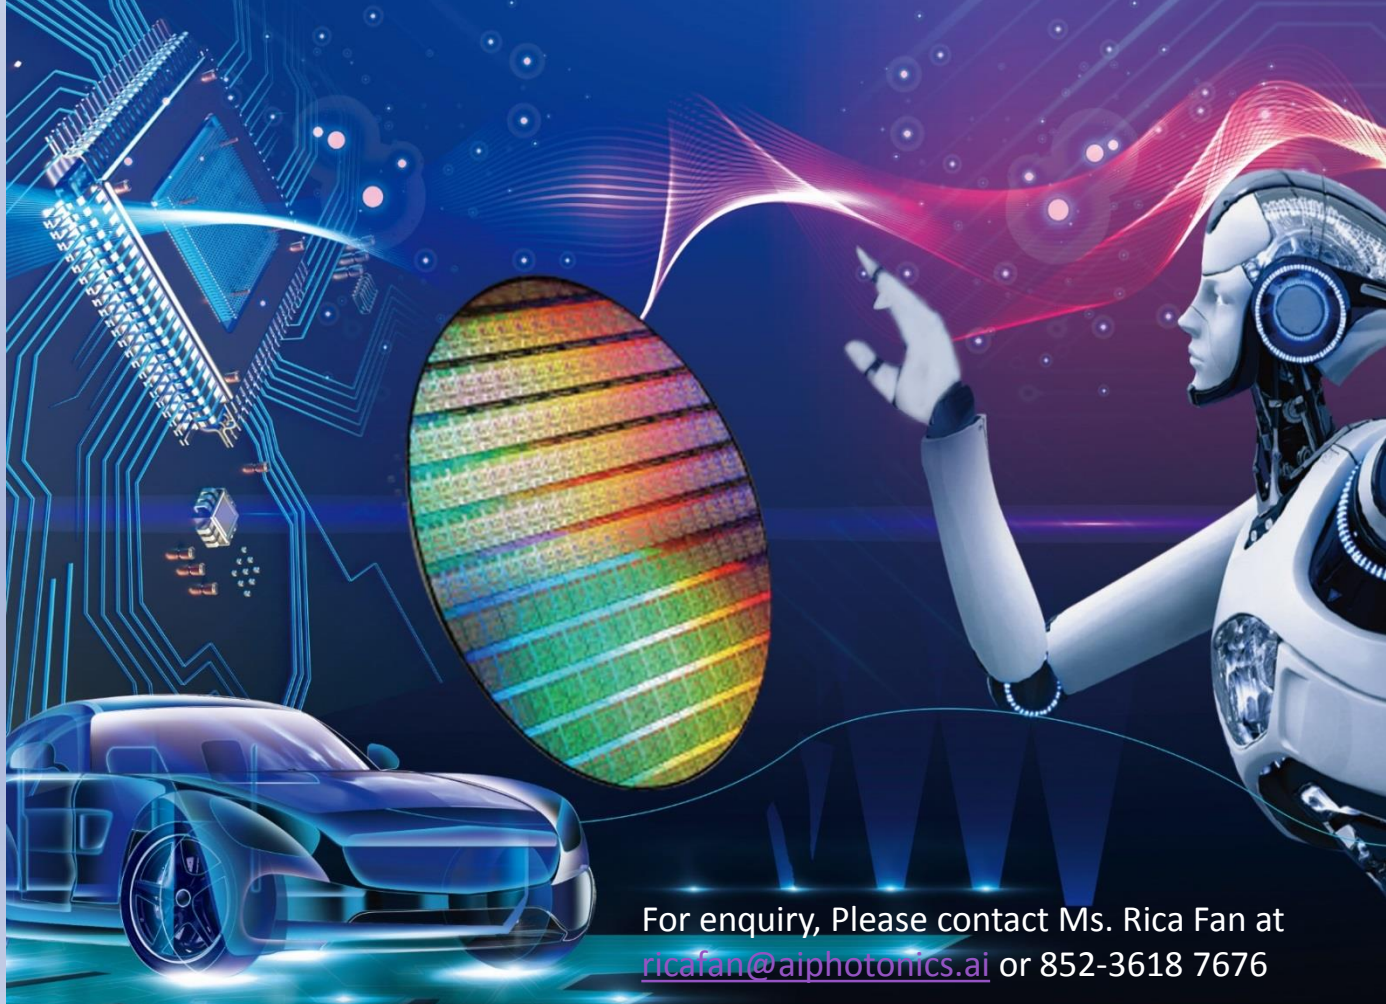

Hong Kong Science and Technology Park
Chinese University of Hong Kong
City University of Hong Kong
Hong Kong University of Science and Technology
IEEE Hong Kong Section
IEEE AP/MTT Hong Kong Chapter

One day Symposium on the current status and future direction of wide bandgap semiconductor. Topics include, but not limited to, technology and applications of GaN, GaO, SiC, and photonic materials and devices

Buffet lunch will be served for participants at no charge*

*Please fill in the registration form at the below website:
