IEEE Latin-American Conference on Communications
15 -17 November 2023 // Panama City, Panama

In 2023, the 15th Latin-American Conference on Communications (LATINCOM) will be held in Panama City, Panama. Panama City is a modern metropolis endowed with a rich history. The unique mix of cultures that this city treasures allows it to offer something for everyone. Discover its historic center (Casco Antiguo), the financial area, the Metropolitan Natural Park, the Panama Canal Visitor Center, where you can view the ships crossing through the Panama Canal locks, the "Cerro Ancon" for an amazing view of the city from a Tropical Rainforest, visit the island of Taboga for a quick island getaway and so much more.

IEEE LATINCOM 2023 will be held from November 15th-17th, 2023. The most important conference -on communications in Latin America; it is held annually and attracts submissions and participants from all around the globe. This conference is known for bringing together audiences from both industry and academia to learn about the latest research and innovations in communications and networking technology, share ideas and best practices, and collaborate on future projects.

IEEE LATINCOM 2023 is organized by the IEEE Communications Society (ComSoc) Latin America Region, Universidad Tecnológica de Panamá (UTP) and the Instituto Nacional de Investigaciones Científicas Avanzadas en Tecnologías de Información y Comunicación (INDICATIC AIP) de Panamá. We look forward to meeting you in Panama!
