CALL FOR PAPERS 2024

TEMSCON LATAM 2024

Technology and Engineering Management for Sustainable Societies

We are pleased to announce the 2024 IEEE Technology and Engineering Management Society Conference - TEMSCON LATAM, hosted by the IEEE Technology and Engineering Management Society, IEEE TEMS Panama Chapter, and IEEE Panama Section. This event offers a unique opportunity for academics, practitioners, researchers, and industrialists to engage directly and present their latest technological innovations and research in the fields of technology and engineering management during July 2024 in Panama City, Panama.

Both IEEE members and non-members are invited to participate in the call for publications, covering theoretical and practical topics in areas such as:

TEMSCON 2024

Technology and Engineering
Managament Society Conference
Panama City, Panamá

17-19 July - 2024

#	TOPICS	TRACK TOPICS
1	Energy Technology Trends	Technologies for renewable energy generation Policy for renewable energies New Energy Markets Smart Grids Clean Energy Energy Resilience Facility Resilience Other Energy Trends
2	Disruptive Technologies Trends	Artificial Intelligence Internet of Things Blockchain Human-Machine Interface Data Security Metaverse Other technologies
3	Innovation, Entrepreneurship & Venture	Technology Entrepreneurship Engineering Innovation and Entrepreneurship New Markets for Entrepreneurs Venture Capital Investment New Business Models Technology for Entrepreneurship Open Innovation Circular Economy
4	Operations Management	Engineering and operations management Manufacturing Operations Supply Chain Resilience Manufacturing Flexibility
5	People and Organizations	Engineering and Technology Skills for People and Organizations Technologies for Upskilling and Reskilling

CALL FOR PAPERS

TEMSC⊗N
2024

Technology and Engineering
Managament Society Conference
Panama City, Panamá

17-19
July - 2024

		Education and Training Engineering Leadership Happiness Management
6	Program & Project Management	Program & Project Management Agile Change Management for Engineering Projects
7	Smart Cities	Technologies for Sustainability Smart Infrastructure Smart Transport
8	Social Implications of Technology	Ethics in Technology and Engineering Transition Social Sustainable Development
9	Tech Management & Transfer	Technology Transfer Technology and Innovation Management Technology Policy Development and Assessment

We eagerly anticipate a diverse array of high-quality submissions from across the globe. This event is more than a conference; it is a catalyst for advancing technological development both within Latin America and worldwide. Your participation is crucial, and we are excited to see the unique perspectives and innovations you will bring to IEEE TEMSCON LATAM 2024!

Paper Submission

We invite you to submit your best work to IEEE TEMSCON LATAM 2024 and share your technological advances with the community! To participate, send your paper in digital format (PDF) through our easy-to-use submission portal. Please ensure that your submission is in English and adheres to the standard IEEE conference format. Note that the maximum length is six (6) pages, including illustrations and references. We emphasize the importance of originality in each submission, and make sure to

accurately categorize your paper by its subject area. papers that are accepted and presented at the conference have the potential to be featured in the prestigious IEEE Xplore Digital Library, offering you a platform for global recognition.

Our dedicated Technical Program Committee is committed to upholding the highest standards of academic rigor and integrity. Every submission will undergo a thorough double-blind review process.

Authors must submit their work without including information that would reveal their identity. If your paper is accepted, at least one of the authors must register and present their paper during the conference. Don't miss this opportunity to stand out as a leader in your field and share your knowledge and progress with others – download our IEEE templates in Microsoft Word or Overleaf and submit your paper today!

Important Dates:
Paper Submission deadline: Apr 30th, 2024
Notification: May 30th, 2024
Final Version Submission: June 30th, 2024
Conference: July 17th - 19th, 2024
