TECHNICAL AREAS

Authors are invited to submit original papers. Topics include, but are not limited, to the following areas:

Advance and Theory Control.
Engineering Education.
Artificial Intelligence.
Big Data.
Biomedical Engineering.
Communication Systems.

Computational Intelligence.
Computer Vision.
Digital Agriculture.
Industry 4.0.
Industrial Automation.
Industrial Engineering.

IoT, IIoT & Sensor Networks.
Power and Energy Systems.
Process Control.
Robotics and Automation.
Signal Processing.
Virtual Reality and Interactive Software.

ORGANIZATION:
