

**2<sup>nd</sup> Call for Papers:** “International Symposium on Electronics and Telecommunications (ISETC '24)”.

Dear Colleague,

On behalf of the organizing committee, we cordially invite you to participate in the “16<sup>th</sup> International Symposium on Electronics and Telecommunications (ISETC '24)”. The conference will be held at Politehnica University Timișoara, Timișoara, România, November 07 – 08, 2024.

The main objective of ISETC is to bring together researchers and industry professionals in the technical fields of Electronics, Telecommunications, and Information Technologies to increase the understanding of emerging scientific ideas and research methodologies, disseminate the latest progress, discoveries, and innovative applications, and promote and strengthen partnerships and cooperation between academia and industry.

Starting in 2022 we are also offering access to an **Industry Workshop**, which includes presentations of technical innovations and applicative research solutions coming from important industry actors (Nokia, Continental, Orange, Huf, Vitesco, Flex, Veoneer, etc.).
