SAVE THE DATE!

FORWARD

Join us in Birmingham, UK, located in the region which is known as the birthplace of the Industrial Revolution and the perfect location to explore the latest advancements in power electronics.

Don't miss this opportunity to connect with industry and academic experts, share knowledge, and experience the future of power electronics!

Our website will open on the 28th of June 2024. Call for abstract will open on the 6th of September 2024. All papers presented at the conference will be included in the IEEE Xplore Digital Library.
