Under the 'EUMW 2024' tab, there are links for GENERAL INFORMATION, MEDIA PARTNERS, and CONTACT US. Social media icons for LinkedIn, Pinterest, and Email are also present. The main heading is 'Registration Information & Pricing'. Below it, a text block says: 'Don't miss out! Register now to connect with your fellow microwave and RF engineers and experts at EUMW 2024.' A large red 'REGISTER' button is prominently displayed. Below the button, a paragraph states: 'For EuMW 2024 and beyond we will be using a new registration platform, powered by m: con, designed to provide a smoother and more user-friendly experience for all attendees.' Another paragraph mentions: 'Should you have any questions or require help, our dedicated support team is readily available to assist you, contact eumweek@mcon-mannheim.de or +49 (0)621 / 410 668 10.' A section titled 'EuMW 2024 comprises three co-located conferences:' lists: 'The European Microwave Conference (EuMC)', 'The European Microwave Integrated Circuits Conference (EuMIC)', and 'The European Radar Conference (EuRAD)'. At the bottom, it notes: 'Registration at one conference does not allow access to the sessions of the other conferences.'
