

IEEE ITSC 2026

The 29th IEEE International Conference on Intelligent Transportation Systems
September 15 – 18, 2026 – Naples, Italy

Organizing Committee

General Chair

Stefania Santini *University of Naples Federico II, Italy*

General Co-Chair

Alberto Petrillo *University of Naples Federico II, Italy*

Program Chair

Simona Sacone *University of Genoa, Italy*

Program Co-Chairs

Andreas Malikopoulos *Cornell University, USA*

Jonas Sjöberg *Chalmers University of Technology, Sweden*

Publication Chair

Silvia Siri *University of Genoa, Italy*

Publication Co-Chairs

Fernando García Fernández *University of Madrid Carlos III, Spain*

Ioannis Papamichail *Technical University of Crete, Greece*

Xiao Wang *QAI/Anhui University, China*

Invited Session Chairs

Swaroop Darbha *Texas A&M University, USA*

Nathan Van De Wouw *TU/e, The Netherlands*

Invited Session Co-Chairs

Alessandro Colombo *Polytechnic University of Milan, Italy*

Xiaohua Ge *Swinburne University of Technology, Australia*

Workshops & Tutorials Chair

Cecilia Pasquale *University of Genoa, Italy*

Workshops & Tutorials Co-Chairs

Maria Laura Delle Monache *Berkely University, USA*

Mauro Salazar *TU/e, The Netherlands*

Rafael Stern *University of Minnesota, USA*

Finance Chair

Li Lingxi *Purdue School of Engineering & Technology, USA*

Industry Engagement and Sponsorship Chair

Meng Lu *Aeolix ITS, The Netherlands*

Industry Engagement and Sponsorship Co-Chairs

Michele Fiorini *Leonardo S.p.A., Italy*

Francesco Flammini *University of Florence, Italy*

Pujitha Gunaratne *Toyota Motor, USA*

A Flagship Conference of the IEEE ITSS

Join us at the **29th IEEE International Conference on Intelligent Transportation Systems (ITSC) 2026**, the premier forum for researchers, practitioners, and policymakers to present and discuss the latest innovations in the field of Intelligent Transportation Systems. The IEEE ITSC 2026 will be held in **Naples, Italy**, a city rich in culture and history, at the Convention Bureau Stazione Marittima. It includes various invited sessions and regular paper submissions. The conference will be preceded by technical workshops/tutorials/industry panels on Tuesday, September 15, 2026.

Theme and Topics

Theme: Innovative Solutions for Future Transportation

Authors are invited to submit papers focused on intelligent transportation systems. Submitted papers will be published in **IEEE Xplore** and may be presented in either a long or short interactive presentation format, including posters.

Topics of interest include, but are not limited to:

- Advanced ITS Mobility Systems
- Air, Road, and Rail Traffic Systems
- Autonomous Vehicle Systems
- Cooperative and Connected Vehicles
- Cyber-Physical Systems and IoT
- Emerging ITS Technologies and Innovations
- Human Factors and Vehicle Interaction
- Infrastructure and ITS Technologies
- Intelligent Waterborne Systems
- ITS Field Tests and Implementation
- ITS Validation and Verification
- Logistics and Intelligent Freight
- Public Transport and Mobility Services
- Safety, Security, and Privacy
- Sensing, Perception, and Scene Understanding
- Traffic Data Analytics and Machine Learning

Important Dates

- Submission Open : **1 December 2025**
- Proposal due for Special Sessions: **1 February 2026**
- Proposal due for Workshops/Tutorials/Industrial Sessions: **1 March 2026**
- Submission deadline for Regular and Special Session papers: **1 March 2026**
- Notification of Acceptance: **1 May 2026**
- Final paper submission deadline: **15 May 2026**
