## IMPORTANT DATES

1 March, 2019	Call for participation
1 May, 2019	Paper submission opens
17 June, 2019	Paper submission closes
1 September, 2019	Paper Accept/Reject notification
30 September, 2019	Camera-ready paper submission
15 May, 2019	Tutorial/Workshop/Focused Session/proposal submission
16 August, 2019	Tutorial/Workshop/Focused Session/proposal notification
1 September, 2019	Registration opens
10 November, 2019	Early Bird registration closes

## REGISTRATION FEES

Category	Authors	Non-Authors				
		Academic Institutions		Others		
		Students	Faculty

- » Early Bird registration will get a 15% discount on the Registration Fee shown above.
- » IEEE Members will get a 20% discount on the Registration Fees shown above.
- » A person who is eligible for both discounts would hence get 32% discount.
- » One Registration in the Author category may allow registration of maximum of two accepted papers authored by the same registrant.
- » Registration fee is inclusive of applicable GST.

INDICON is the flagship Annual International Conference of the IEEE India Council. It has its origins in the Annual Convention and Exhibition (ACE) of the Council, which transformed into INDICON in 2004, which was conducted at IIT Kharagpur.

The 16<sup>th</sup> IEEE India Council International Conference (INDICON 2019) is being organized by IEEE Gujarat Section from 13 - 15 December 2019, at Marwadi University, Rajkot (GUJARAT).

**THEME: Applying Artificial Intelligence in Engineering for Humanity.**

## CALL FOR PAPERS

The Conference aims to provide an active platform for research scientists, engineers, and practitioners throughout the world to present their latest research findings, ideas, and applications in the fields of interest which fall under the scope of IEEE.

Prospective authors are invited to submit original research papers (not being considered for publication elsewhere) in standard IEEE conference template describing new theoretical and/or experimental research results in the following tracks (but are not limited to):

- » Antennas and Propagation
- » Artificial & Augmented intelligence and their applications
- » Biometrics & RFID
- » Circuits and Systems
- » Computational Intelligence
- » Computational Social Science & Social Networks
- » Consumer Electronics
- » Control Systems, Instrumentation and Measurement
- » Conventional, Renewable and Green Energy
- » Data, Sensors, Business analytics
- » Dielectrics and Electrical Insulation
- » Electron Devices & Solid-State Circuits including Packaging
- » Emerging technologies and their applications in education, publications, tourism, healthcare, agriculture etc.
- » Engineering in Medicine and Biology
- » Geoscience and Remote Sensing
- » Industrial Electronics and applications
- » Intelligent Transportation Systems
- » Micro and Nanoelectronics
- » Photonics
- » Power Systems, High Voltage and Power Electronics
- » Product Safety & Reliability Engineering
- » Renewable Energy and its Applications
- » RF, Microwave, Millimeterwave: Theory and Techniques
- » Robotics and Automation
- » Sensors and sensing systems
- » Signal, Image and Video Processing
- » Social and Humanitarian Implications of Technology
- » Theoretical Computer Science
- » Ultrasonic, Ferroelectrics, and Frequency Control
- » Wireless technologies

## PUBLICATION OF PAPERS

Presented papers will be included in the Proceedings of IEEE INDICON 2019 in IEEE Xplore provided they meet IEEE quality standards.

## PROPOSALS FOR TUTORIALS, WORKSHOPS & FOCUSED SESSIONS

Proposals for Tutorials, Workshops and Focused Sessions (on topics like wearable devices, Sensors in Industrial Practice, Technology in Education etc.) are also solicited.

## BOOTCAMP FOR INNOVATORS & ENTREPRENEURS

- ☐ A special half-day bootcamp is planned for innovators and budding entrepreneurs. A highly distinguished panel of successful young CEOs/CTOs will be arranged in an open house for aspiring innovators and entrepreneurs to learn from their success stories and failures as well.
- ☐ A roundtable will be arranged for mentor-mentee relation to take off.

## SPECIAL TRACK FOR YOUNG PROFESSIONALS AND WOMEN IN ENGINEERING

- ☐ A distinguished panel of accomplished role models from Industry and Academia will be available for an informal luncheon interaction with YPs and WIE participants.

## PLEASE NOTE

- Paper Length: Maximum 4 pages | The body of the paper (i.e. text, figures, tables) should be 3 pages max, while reference should be 1 page max.
- Details about Paper Submission and Author Instructions will be posted at appropriate time on the conference website and in the subsequent CFPs. Please keep visiting the website <http://indicon2019.in/> for any update.
