

Call for Speakers

2025 IEEE New Era World Leaders AI Summit: Uniting Satellites, Humanity, and a Smart World December 5–7, 2025 | Seattle/Bothell, Washington

The IEEE New Era AI World Leaders Summit 2025 brings together global visionaries, industry pioneers, academic leaders, and humanitarian innovators to shape the future of artificial intelligence, satellites, communications, robotics, medicine, sustainability, and ethics—and to **explore their transformative role in advancing humanity and building a smarter & better living world.**

The Conference is designed to:

- **Unite Technology & Humanity:** Bridge space-based intelligence, AI breakthroughs, and human-centered applications to address global challenges.
- **Inspire & Mobilize Leaders:** Bring together **world-class thought leaders, CEOs, researchers, policymakers, and innovators** to shape the next era of AI.
- **Showcase Impact:** Demonstrate how AI and related technologies can empower **disaster response, healthcare, sustainability and ethical governance.**
- **Foster Collaboration:** Create lasting connections across academia, industry, and government to accelerate **global partnerships for innovation with impact.**

This conference will

I. Feature Six Thematic Symposia:

1. AI in Action – New Tools, Ethical AI, and Cybersecurity.
2. AI for Humanity:
3. Satellite & Next-Generation Communication Intelligence
4. AI in Medicine: Conquering Complex Diseases & Advancing Robotic Healing.
5. Hardware, Storage, Power & Future Applications
6. Robotics & UAVs Innovation.

II. AI innovations for Smart World-Technology tracks

1. Intelligent Commerce: AI's Revolution in Business, finance & Retail
2. AI, Satellite & Leo for Industries & Infrastructure.
3. AI and Ultrasound in Medicine.
4. AI for Vitality: Smart Farming, Nutrition, Health & Longevity.

III. Hands-On with Tomorrow: Cutting-Edge AI Interactive Workshops

Why Speak at IEEE New Era AI 2025?

By joining as a speaker, you will:

- **Reach a Global Audience:** IEEE connects **500,000+ members worldwide**, with leaders spanning technology, academia, and humanitarian sectors.
- **Shape the Dialogue:** Share your expertise and vision with an elite audience driving **next-generation AI, satellite, and smart world applications**.
- **Gain Recognition:** Featured in IEEE publications, press releases, and summit media, amplifying your thought leadership.
- **Network with Leaders:** Engage with **C-level executives, top researchers, policy makers, and innovators** at exclusive leadership forums and networking dinners.
- **Inspire the Next Generation:** Empower students, young professionals, and innovators who are building the future of AI for humanity.

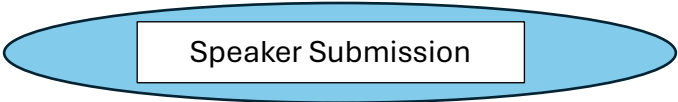

Submit Your Interest

We invite Expert speakers, visionary executives, pioneering researchers, and inspiring innovators to share their insights at IEEE New Era AI 2025.

To be considered, please submit:

- **Title & Abstract of Your Talk**
- **Brief Bio**
- **Headshot**

Deadline for Speaker Submissions: September 30, 2025
