

Rules for the IEEE Power & Energy Society (PES)/ Dielectrics and Electrical Insulation Society (DEIS) Queensland Chapter Outstanding Volunteer Award

The IEEE PES/DEIS Queensland chapter Outstanding Volunteer Award (OVA) aims to recognize outstanding volunteers affiliated with IEEE PES/DEIS Queensland section. One award will be given each year starting from 2015.

1. Award Description: The award administered by PES/DEIS committee of the Queensland section, will be presented annually during one of the technical events/annual general meeting. A special certificate of "IEEE Power & Energy Society of Queensland Outstanding Volunteer Award" will be presented to the recipient by the chair of the IEEE PES/DEIS chapter.

2. Eligibility Criteria:

Must be an active member of either IEEE PES or IEEE DEIS member in Queensland section.

Must have contributed to the activities organized by PES/DEIS chapter for a consistent period of time.

Must have provided service to the PES/DEIS profession.

3. Process of submissions:

Queensland Section PES/DEIS Chapter will publicize nomination request for the Outstanding Volunteer Award by means of IEEE Queensland section newsletter/website and IEEE e-notices. Nominations have to be submitted to IEEE Queensland PES/DEIS chapter chair by completing the nomination form available in the IEEE Queensland section website.

4. 5. Selection Process

A committee of IEEE PES/DEIS officers will be formed. Chair of the committee will be the Chair of the IEEE PES/DEIS Queensland Chapter.

The award winner will be selected by the committee comprising:

- (a) Chair of the IEEE Queensland Section PES/DEIS Chapter
- (b) Secretary of the IEEE Queensland Section PES/DEIS Chapter
- (c) Vice Chair of the IEEE Queensland Section PES/DEIS Chapter

In case of any vacancy in these positions, IEEE QLD Section Chair will nominate a suitable replacement from IEEE Queensland section.
