Proposal for
UP Section Conference (UPCON) on Electrical, Computer and Electronics

UPCON *"The IEEE Uttar Pradesh Section Conference on Electrical, Computer and Electronics"* will be the top level International Conferences covering the broad topics in the areas of Electrical, Electronics and Computer Engineering and Technology.

1. This conference, which will be held annually as different locations, will provide an excellent platform to the researchers to present their research work and will be known as the UP-section's conference.
2. The conference will be technically sponsored by IEEE UP Section.
3. The conference will also be sponsored financially (Rs 50000/ as seed money and it is refundable from profit) by IEEE UP Section.
4. It is proposed to have three tracks namely Computers, Electronics and Electrical Engineering. Under these tracks various areas will be covered.
5. Every track will have many components namely
   > (i) Paper Presentations and best paper awards for each track
   > (ii) Poster Presentations and best poster awards for each track
   > (iii) Key Note Lectures
   > (v) Panel Discussions
   > (vi) Awards for best three (depending upon the submissions)
   > > (a) ME/M.Tech Thesis,
   > > (b) PhD Thesis.

   Through these components, this conference will cover broad range of participants and audience.
6. In order to maintain very high standard of the conference as well as utilization of the expertise of all the chapters of UP Section, all the prominent Faculties/Researchers from the Institutes of UP section will be involved for providing their services being as a member of Technical Advisory/Program Committee.
7. Each track may have one Chairman and One Coordinator. The track chairs may (or may not) be from the same Institute, but, they must be IEEE member and should have research interest in the respective stream.
8. Paper submission, plagiarism check, policy for paper selection etc. tasks may be performed centrally using EDAS/Easy Chair/any other system.
9. Invitation to reviewers, speakers for keynote address and tutorials, companies for exhibition, organizing cultural events etc. decisions should be taken by the local organizing committee with consultation with UP Section Excom.
10. By default, the chairperson of UP Section at the time of floating the first advertisement/call for participation and the Head of the host institute will be the general chairs of the conference

11. All the members of the executive committee of the section shall be the default members of the Technical Advisory/Program Committee of the conference. However, the executive committee will nominate persons (may or may not be part of the executive committee) for being a member of these committees.

12. The travel allowances (TA) to all the Excom persons will be provided by the IEEE Uttar Pradesh Section as per the actual bills. For other speaker, it will be discussed mutually.

13. Local hospitality will be provided by the organizing institute.

14. All the accepted and presented conference papers will be send to the IEEE Explore for publication.

15. The finally accepted PhD/M.Tech. thesis for presentation will NOT be eligible for the publication.

16. No TA/DA will be given to the participants.

17. Executive committee meeting may also be organized just before/after the conference.
