

The 10th

ANNUAL SYMPOSIUM ON MAGNETICS

CALL FOR PAPERS

VIRTUAL SYMPOSIUM, 17th- 18th DEC 2020

IEEE Magnetics Society, Singapore Chapter has been organizing Magnetics Symposium and competition (for students) for the past 10 years. These events are aimed at fostering interaction with students, researchers and faculty.

This is a call for invited speakers (faculty members/senior researchers/scientists in universities and RIs) and contributed speakers (students/ fresh post-docs) on magnetism and related technologies, which will be held as a **virtual symposium** this year. The contributed presentations will be judged and the students (or post-docs) will also have a chance to win prizes.

Please send a talk title and authors' list by **3rd December 2020** to james_lourembam@imre.a-star.edu.sg

No registration fee. Register [here](#) or use the QR code.

The competition is open to all registered students in Singapore.

Winners will be given prize money and a certificate!

For further details, please email: james_lourembam@imre.a-star.edu.sg / prem@ntu.edu.sg
