IEEE NAGPUR SUBSECTION

Workshop on  
**"AGILE METHODOLOGY  
AND DESIGN THINKING"**

20<sup>th</sup> May to 25<sup>th</sup> May 2019

TCS, Nagpur

## Overview

: "Being agile is all about responding to change quickly and not reacting, while design thinking is all about thinking creatively. So you can very well appreciate how a creative mind would be more Agile than a stagnant soul"

A workshop, meant to be creative and Agile in our profession, to be conducted by a Ninja Agile Coach Mr. Prasanna A. Deshpande from TCS. As part of this 6 day workshop, we would be working on real life problems and will be exploring tangible solutions which will add value to us and our stakeholders.
